October, 2024

Western Illinois Builders Association  
2163 E. Main St., PO Box 565  
Galesburg, IL 61402

Dear Western Illinois Builders Association,

I would like to thank you personally, the Western Illinois Builders Association for your kindness in granting me the Brad Johnson Memorial Scholarship. These funds will be extremely beneficial to my education and future. As I began transitioning into my college education through multiple dual credit courses, I discovered that my education would be very costly. Since I will be paying most of my tuition from a part-time, low-paying job, your donation will be extremely helpful, as I will be able to focus on my studies rather than worrying about how I plan to pay for my next class. For this, I am extremely grateful. I plan to make it worth your time by investing the donation into my future career as an ultrasound technician, helping people from Galesburg Illinois, and surrounding communities.

To reach my goal of becoming an ultrasound technician, I first have to complete the Radiologic Technology Program to become a Radiology Technologist. I have always dreamed of working in the medical field, and as I have gotten older, I have gravitated towards radiology. Interacting with patients while operating X-ray equipment and ultrasounds is a special and important career I can not wait to pursue. Once I become an ultrasound technician, I will be able to help doctors analyze ultrasounds and aid in a happy healthy community. Although I know radiologic technology may be difficult at times, helping the people of my community will make the difficult times worth it.

Once again, I would like to thank you so much for your generous donation; I will do great things with your investment. I would love to be able to give back to a fellow student entering the Radiologic Technology Program someday, and I will make it my goal to do so. Community support can go a long way and little by little, can help support and encourage the future workers of America. With the support of the Brad Johnson Memorial Scholarship, I can embark on my journey of becoming an ultrasound technician. Thank you.

With gratitude,

Lauren Rickard
